I am thorough and determined, and I put my interpersonal skills and organisational abilities to good use within a team of attorneys and legal professionals.

Charlotte Chancerelle has over 10 years' experience in the banking sector, specialising in wealth management for high-net-worth and international private clients.

The holder of a Master's degree in Economics and Management, she is responsible for administrative management within the registry combating abuses relating to Covid loans. She supports a team comprising five solicitors and three legal assistants.

Her banking experience has enabled her to develop her customer service skills, her attention to detail and her ability to adapt.
