Organization and administration with dedication, exciting ideas – and with heart and soul.

Since 2011, Daniela Urfer has been in charge of the training and continuing education department at usic and the office of the bilding Foundation.

She has been a successful all-rounder for many years – in association management, administration, organization, project management as well as communication and PR. She is both solution- and service-oriented and knows how to get to the heart of statements and projects.
