Kellerhals Carrard Geneva
Rue François-Bellot 6
1206 Geneva

Communication is the key to success in accounting. Numbers should speak to everyone, not just accountants.

After starting his career as an accounting associate in a fiduciary firm in France, Dylan joined Kellerhals Carrard Geneva to take on new challenges. Passionate about numbers and holding a master's degree in accounting and management, he handles digital tools with ease. Always attentive and kind, he enjoys helping others and finding solutions, bringing a human and positive touch to his work.
