## Lawyers love to talk about issues – I prefer to provide solutions.

An experienced M&A and corporate lawyer, Emanuel Dettwiler advises clients on a wide range of international and domestic, public and private, transactions. His particular focus lies on distressed M&A transactions and restructurings, where he regularly supports clients in challenging situations. His clients are active in various industries, mainly in life sciences, technology, and IT. He also advises on demanding corporate law topics and assists clients in both equity and debt financing matters as well as selected contract law issues. He regularly publishes and lectures in his areas of expertise. An active member in a number of international associations and alliances, Emanuel enjoys a strong international network. As a former management consultant, Emanuel has an in-depth understanding of the commercial aspects of problems presented to him and honors the real needs of demanding corporate clients.
