Kellerhals Carrard Geneva

Rue François-Bellot 6

1206 Geneva

"There is only one necessity, the truth ; that is why there is only one force, the law." - Victor Hugo

Fanya began her career with a Bachelor's degree in law from the University of Geneva, followed by a Master's degree in law with a double specialisation in health law and biotechnology, as well as in criminal law and criminology, from the University of Neuchâtel. She then went on to obtain a certificate of specialisation in legal practice from the University of Geneva.
