As a research assistant, I purposefully apply my enthusiasm for law to actively and reliably support legal matters.

Hannah Faber studied law at the University of Zurich, where she obtained her Bachelor's degree in 2024 and her Master's degree in 2026. Alongside her studies, she worked at a small law firm in Zurich and assisted with grading the "Private International Law" examination at the University of Zurich. Since August 2025, she has been working as a research assistant at Kellerhals Carrard, where she primarily supports the work of Prof. Dr. Pascal Grolimund.
