Jörg von Manger-Koenig combines management and industry experience with legal and regulatory expertise.

Jörg von Manger-Koenig brings almost 30 years of experience in executive and general management in the pharmaceutical industry, biotechnology and medical technology as General Counsel / legal expert as well as head of regulatory affairs and quality management to his consulting activities. His main focus is on consulting in legal affairs, compliance, regulatory affairs, quality management and general management, with a focus on this industry sector. In his many years of corporate experience, he was globally responsible for the areas of Legal / Intellectual Property, Compliance, Regulatory Affairs, Quality Management and Human Resources at Roche Vitamins and Berna Biotech, most recently as EVP Legal and Compliance / Group General Counsel and Secretary of the Board of Directors of Nobel Biocare and VP Regulatory Affairs / Quality Management of the Danaher Dental Platform. As part of this role, he was responsible for all relevant areas of responsibility in the legal department of a listed company.

Jörg von Manger-Koenig combines management and industry experience with legal and regulatory expertise. A particularly important focus of his work is on the role and principles of sustainability as regards the structure and successful long-term management of companies.
