`Success is the sum of small efforts, repeated day in and day out` - Robert Collier

Before working as a notary's assistant, Michelle Pfäffli worked in the fiduciary sector. Her experience in both sectors helps her to understand complex issues and to solve them competently and in a targeted manner. As the interface between the notary and the client, she is able to communicate in an appropriate and adequate manner, thus providing lasting support for the solution-finding process on both sides.
