Rigorous and a team player, her ability to observe, her autonomy and her sense of responsibility make her a person you can trust and rely on.

Rafaela Rodriguez began her apprenticeship at the firm in 2018. Since 2020, she has been part of the COVID loan team, and her commitment led her to become responsible for the administrative area.

Her education combining law and economics (BSc Business Law), which she completed at the end of 2024, together with her structured approach, now enables her to also carry out a role as an economist-jurist.

Alongside her position at KC, she is pursuing a Master of Advanced Studies in Economic Crime Investigation (MAS LCE) at the Institut de Lutte contre la criminalité économique (ILCE) in Neuchâtel.
