"The reasonable person adapts themselves to the world; the unreasonable person persists in trying to adapt the world to themselves. Therefore, all progress depends on the unreasonable person."

Tiziano Sabbioni studied economics in Bern, St Gallen, and Santa Barbara. He is the founder of a digital relocation platform and has held positions including CEO of Creaholic SA and, most recently, a role in corporate strategy at CSS Insurance. He brings an entrepreneurial mindset, experience in the digitalisation of business processes and a team-oriented leadership style to the role.
